
Learn all about the horse

- How to groom, tack, untack, and clean tack
- The parts of the saddle, bridle, and other tack
- The parts of the horse, breeds, coloring, markings
- The parts of the hoof, front leg, and back leg
- Watch a farrier trim a horse hoof and apply a shoe
- How to feed and take care of a horse including blanketing
- How to feed a barn of horses, turn in and out, and clean a stall
- How to care for an injured horse and when to call the vet
- Different English disciplines
- How to set up a dressage arena
- How to groom the arena and load a horse in a trailer

Summer Camp Run by Professionals

At Avalon, our summer camps are based on a lot of hard work and having fun. The student will learn how to take care of a horse, how to ride a horse, and how much work it takes to have one.

The summer camp is led by Jessica Phillips, who has 20 years of horse experience, including barn work and showing experience. The business is run under the management of Jody Phillips, Abbey Creek's head trainer and show manager.

Daily Agenda

- Arrival 9:00 am
- Cleaning out your stall
- Hands on classroom session with model horse
- Apply what you have learned to your own assigned horse
- Craft time!
- Lunch with special guest speakers
- 1 hour group riding lesson
- Clean up and quiz on what you learned that day
- Farewell at 3:00 pm

Mission Statement

Avalon Management is dedicated to teaching you how to ride with a dressage foundation to help you excel in any riding discipline. We can then take you to the next level of Dressage, Hunter/Jumpers, Eventing, or any combination.
